

Pierre HIERNAUX : Publications en rapport avec l'écologie et les systèmes d'élevage du delta intérieur du Niger

2021, Hiernaux P., Turner M.D., Eggen M., Marie J., Haywood M., : *Resilience of wetland vegetation to recurrent drought in the inland Niger Delta of Mali from 1982 to 2014*. In Wetlands Ecology and Management, 2021.

2016, Hiernaux P., Dardel C., Kergoat L., Mougin E.,. *Desertification, adaptation and resilience in the Sahel : lessons from long term monitoring of agro-ecosystems*. In Behnke R.H. and Mortimore M., eds, The end of desertification? Springer-Verlag Berlin Heidelberg: 147-178. DOI 10.1007/978-3-642-16014_6

2015, Hiernaux P., Diawara M.O., Kergoat L., Mougin E., *La contrainte fourragère des élevages pastoraux et agro-pastoraux du Sahel. Adaptations et perspectives*. In Sultan B., Lalou R., Sanni M.A., Oumarou A., Soumaré M.A. (eds) Les sociétés rurales face aux changements climatiques et environnementaux en Afrique de l'Ouest. IRD editions, Marseille: 171- 192 ISBN : 978-2-7099-2146-6.

2015, Krätli S., Kaufmann B., Roba H., Hiernaux P., Li W., Easdale M., Hülsebusch C.. *A House Full of Trap Doors: Identifying barriers to resilient drylands in the toolbox of pastoral development*. IIED discussion paper, International Institute for Environment and Development, London and Edinburgh.47p. <http://pubs.iied.org/10112IIED> ISBN: 978-1-78431-105-6

2014, Hiernaux P., Diawara M.O. et F. Gangneron,. *Quelle accessibilité aux ressources pastorales du Sahel ? L'élevage face aux variations climatiques et aux évolutions des sociétés sahéliennes*, Afrique contemporaine, n° 249, p. 21-35. DOI : 10.3917/afco.249.0021

2014, Zezza A., Federighi G., Adamou K., Hiernaux P.,. *Milking the data: measuring income form milk production in extensive livestock systems. Experimental evidence from Niger*. Policy Research Working Paper, 7114, World Bank, 32p

2014, Hiernaux P., Diawara M.O.,. *Livestock: recyclers that promote the sustainability of smallholder farms*. Rural 21, 04:9-11

2014, Dardel C., Kergoat L., Mougin E., Hiernaux P., Grippa M, Tucker C.J.,. *Re-greening Sahel: 30 years of remote sensing data and field observations* (Mali, Niger). Remote Sensing of Environments, 140: 350-364

2012, Lesnoff M., Corniaux C., Hiernaux P., *Sensitivity analysis of the recovery dynamics of a cattle population following drought in the Sahel region*. Ecological Modelling, 232: 28-39

2009, Hiernaux P., Mougin E., Diarra L., Soumaguel N., Lavenut F., Tracol Y., Diawara M., , *Rangeland response to rainfall and grazing pressure over two decades: herbaceous growth pattern, production and species composition in the Gourma, Mali*. Journal of Hydrology, 375 (1-2): 114-127

2006, Schlecht E., P. Hiernaux, I. Kadaouré, C. Hülsebusch and F. Mahler,. *A spatio-temporal analysis of forage availability and grazing and excretion behaviour of herded and free grazing cattle, sheep and goats in Western Niger*. Agriculture, Ecosystems and Environment 113: 226-242.

2006, Hiernaux P. and H.N. Le Houérou,. *Les parcours du Sahel*. Sécheresse, 17(1-2) : 51-71

- 2005**, Turner M.D., P. Hiernaux and E. Schlecht,. *The distribution of grazing pressure in relation to vegetation resources in semi-arid West-Africa: the role of herding*. Ecosystems, 8(6): 668-681
- 2004**, Hiernaux P., *Equilibrium and non-equilibrium behaviours of range vegetation dynamics in the Sahel*. Professional workshop 01, VII International Rangeland Congress, Durban, RSA: 76-87
- 2004**, Schlecht E., P. Hiernaux, F. Achard, & M. Turner,. *Livestock related nutrient budgets within village territories in western Niger*. Nutrient Cycling in Agroecosystems, 68: 199-211
- 2002**, Hiernaux P. and M.D. Turner,. *The influence of farmer and pastoralist management practices on desertification processes in the Sahel*. In 'Global desertification: do humans cause deserts?' , Reynolds J.F. and D.M. Stafford Smith (eds) Dahlem University Press, Berlin: 135-148.
- 2001**, Schlecht E., P. Hiernaux & M.D. Turner,. *Mobilité régionale du bétail: nécessité et alternatives?* In E. Tielkes, E. Schlecht & P. Hiernaux (eds), Elevage et gestion de parcours au Sahel, implications pour le développement. Verlag E. Grauer, Stuttgart: 291-302.
- 2001**, Hiernaux P., *Fondements écologiques de la gestion des parcours au Sahel*. In E. Tielkes, E. Schlecht & P. Hiernaux (eds), Elevage et gestion de parcours au Sahel, implications pour le développement. Verlag E. Grauer, Stuttgart: 65-77.
- 1999**, Ayantunde, A. A., P. Hiernaux, S. Fernandez-Rivera, H. van Keulen & H.M.J. Udo,. *Selective grazing by cattle on spatially and seasonally heterogeneous rangelands in the Sahel*. Journal of Arid Environments, 42: 261-279.
- 1999**, De Leeuw P.N., Hiernaux P. & V.M. Miheso,. *Grazing pressure in sub-Saharan Africa: an historical perspective*. In D. Eldridge and D. Freudenberger, People and rangelands building the Future, VI International Rangeland Congress, Aitkenvale, Qld, Australia: 551-553
- 1992**, De Leeuw P.N., L. Diarra & P. Hiernaux,. *An analysis of feed demand and supply for pastoral livestock in the Gourma region of Mali*. In R.H. Behnke Jr, I. Scoones & C. Kerven (eds) Range ecology at disequilibrium, Proc. of meeting on Savanna Development and Pasture Production, Woburn Nov 1990, ODI, London: 136-152
- 1985**, Hiernaux P. & L. Diarra,. *Savana burning, a controversial technique for rangeland management in the Niger floodplains of central Mali*. In: Tothill J.C. and Mott J.J. (eds) Ecology and management of the world's savannas. Australian Academy of Science Canberra, pp. 238-243.
- 1984**, Hiernaux P.,. *"Is it possible to improve the traditional grazing management in the flood plain of the Niger river in central Mali ?"*. In: P.J. Joss et al. (eds) Rangelands: a resource under siege. Proc. of the Second Int. Rangeland Cong. Australian Academy of Science, Canberra, pp. 201-204.
